Customer reward scheme

If the individual/company you refer is new to Workspace and takes up space, you both can choose from rental credit, John Lewis Voucher or a case of wine from Clarion Wines, a Workspace Group customer.

It doesn't matter if you own the company or are a member of staff; you choose the reward that best suits you.

The new customer gets the same choice, so everyone is a winner. And there is no limit on the amount of referrals you can make.

When you recommend a new customer to Workspace Group, it's smiles all round!

→ £250 RENTAL CREDIT

→ £250 JOHN LEWIS
VOUCHERS

→ £250 CASE OF WINE

Workspace Group

Here's how it works:

1. When they first contact the Lettings Team, they must quote "Customer Reward Scheme" as how they heard of us, followed by your details. All this information will be entered on our database. If the person you are referring is not already on our database, you will be eligible for the reward.
2. If all the details are accepted, an email will be sent to both parties with terms and conditions and a unique reference number for your records.
3. Your reward will be made:
 - If the individual/company you referred becomes a Workspace Group customer within four months of their first contact with us
 - Once the individual/company you referred has been a Workspace customer for more than three months.

The referral scheme is not open for leasing of storage space, car parking space or any workspace under 100 sq ft.
